

## URGENT APPEAL FOR 2010 DISASTER RELIEF

Seeing pictures and hearing stories about the Nashville floods, the Yazoo City tornado damage, Kenyan floods, and Ugandan mudslides, makes our hearts hurt for those whose lives have been instantly changed by disaster.

Due to the volume of disasters so far this year and the approaching hurricane season, we are making an urgent appeal for 2010 disaster relief. Your support does not just bring food, water, and supplies; it brings hope to a people who find their families in devastating situations and puts the focus on the love and compassion of our Lord and Savior, Jesus Christ, who is the source of true, lasting relief. Your efforts will not only change people's situation right now, but also provide an opportunity to change it for eternity.

Writing a check or clicking a mouse to donate online is easy to do and has far-reaching impact on those who need your help. Thank you for taking the time to invest in the lives of disaster victims through this ministry that is experience driven, cost effective, and God focused. Through God's provision of faithful partners like you, we have been able to provide over 60 million dollars of much needed relief in more than 50 countries during the last 30 years. Our first-in, last-out approach allows the time needed to teach missionaries and church leaders how to 'multiply' the funds they receive through smart partnerships. **Right now, we are faced with several different urgent needs at the same time and we are asking for your help.** Please join your brothers and sisters around this nation in responding quickly and generously with your tax-deductible donations to provide help and hope to disaster victims this year.

P.S. - Be blessed by expressing your generosity now online at [WWW.WFRCHURCH.ORG/RELIEF](http://WWW.WFRCHURCH.ORG/RELIEF)
