

URGENT REQUEST FOR HAITI EARTHQUAKE VICTIMS

I'm sure you are well aware of the devastating earthquake that shook the area of Port au Prince, Haiti yesterday, January 12th. The damage is severe and many of our brothers and sisters there are in extreme need of food, water, and shelter. WFR relief ministries has been a driving force in Christian Disaster Relief since 1981 and we have seen the result of quick and generous response in times such as these by people coming to Christ. During the last eight years, over 3,000 people have been baptized into Christ as a result of the compassion that our World Radio speakers have shown through word and deed. They are our contact point and the work will be done through the local churches in Haiti with your help.

The pictures and video we are watching on the news networks are eye-opening illustrations of how quickly your priorities can change. One minute you are preparing for bed as the sun slips out of view and the next you are in the middle of disaster and darkness. When your whole world is turned upside down, you are instantly dependent. When we arrive with your support, we are not just bringing money and supplies; we are bringing hope to a devastating situation and turning eyes to the cross where true, lasting relief can be found.

It's people like you that God uses as His hands here on earth. Your past generosity testifies to your concern for the lives of others during times of disaster. With the stroke of your pen or the click of your mouse, you can give hope and change lives in Haiti forever. Please join your brothers and sisters around this nation in responding quickly and generously with your tax-deductible donation to help the earthquake victims in Haiti.

P.S. - You can express your generosity now online at WWW.WFRCHURCH.ORG/RELIEF

In His service,

Ben Adkins
